with our Catholic partners, parishes, the Catholic schools through the Office of the Superintendent, the Office of Youth Ministry, the Knights of Columbus, and Catechetical. We will also collaborate with the United Jewish Appeal Federation (UJA), and Federation of Protestant Welfare Agencies (FPWA). One of the keys to last year's success was to recognize that many of you were already engaged in supporting food programs. As a result, we offered the option to increase support for what you were already doing or to contribute funds or food to other programs that needed support. By expanding this year beyond parishes and their related schools, hopefully the witness and impact will be even greater.

COMBINED SECOND COLLECTIONS

This weekend of January 3/4, 2015, a combined collection will be taken up. One segment will be taken up for the Catholic Communications Campaign and the second segment will be for The Catholic University of America. The Catholic Communications Campaign is the official Catholic presence in the media: In partnership with the diocesan communications offices, it has been our voice educating, entertaining, inspiring and informing the faithful about Gospel values. The second segment is for the Catholic University of America, unique among Catholic institutions of higher education in the United States. We encourage you parishioners to be generous in your contributions to the combined collection for the Catholic Communications Campaign and the Catholic University of America collection.

A 'THANK YOU' FROM FR. GEORGE

My friends every beginning has an end and every end has a beginning. At the same time every day has a night, to assure that it will return again. Note of thanks is a tough one to deliver. I must tell you

St. Josephs' has made me a better priest, has given vision of my life as a priest. From here I am carrying so many memories we have shared together.

This is the time for me to express my thanks and gratitude for your love and acceptance, your encouragement and inspiration.....

I am honored to thank all those who have contributed in one way or the other to make my life and ministry at St. Josephs' a fruitful one.

All of you have been the driving force behind all of my priestly duties.

A big 'Thanks' to Fr. Frank, Fr. Rick, Deacons & the staff (especially Carol Geary, Mike & Pat) & others for their love and support. Fr. Frank & Fr. Rick were there any time and every time I knocked on his door to listen to me and to encourage me.

Love and Thank You to all St. Joseph's Parishioners who have been supportive for eighth years. You will all hold a special place in my heart.

Fr. George Devanapalle

REVIVAL OF PARISH ORGANIZATIONS

New Year's Resolutions – Church Involvement and Participation
