Vocation Summit

St. Joseph Seminary on October 9, 6-9pm

Do you love the priesthood and religious life? Would you like to learn more about how you can promote vocations in your parish? Then join us for a delicious meal, free of charge, at St. Joseph Seminary in Yonkers. Our guest speaker is Rhonda Gruenewald, an expert from Houston who has literally "written the book" on how to effectively run a parish-based vocations ministry. Also at the dinner, we'll unveil our new four-point Archdiocesan Vocation Plan. Please note: Attending the dinner does not obligate you to more volunteer duties. It is a night to learn, be inspired, and perhaps take home some best practices to your parish. See more details and RSVP at:

SEMINARY COLLECTION

There will be an Annual Seminary Collection, which will be conducted in our parish this weekend. The cost of preparing future priests is daunting, and for this reason we count on your yearly support. With it, we are able to continue our solid tradition of excellence in the formation and academic training of candidates for the priesthood. Please give generously!

HEALING MISSION

Paul Rymniak is an ordinary man or so he claims. Multitudes will disagree with his self-assessment, for he is known throughout the United States, Canada, Mexico and Puerto Rico. He is not a medical doctor or ordained minister or priest. He says he sees Christ working through him and he says that there is scriptural basis for his work. (Matt. 18-19) According to Paul who credits GOD and NOT HIMSELF for his successes, he

possesses several hundred testimonies from many medical doctors and lay people which confirm the Healings.
