**A Summer Retreat for Writers:
Finding Inspiration, Contemplation and Creativity
July 5-9, 2018**

This retreat is centered on the belief that when we leave behind the disruptions of our busy lives and gather in a supportive community, we make important breakthroughs in our daily life and in our writing. The retreat will reinforce the writer's life, (re)discover the writer's soul, offer daily workshops, craft discussion, feedback, motivation, inspiration and time to just relax with a secluded view of the mountains and river.

**Presenter: Magie Dominic
\$450. Includes a private room, all meals and all workshops.
